Asavarishtam

1. ABHAYARISHTAM: (Ashtangahridayam)

Total Ingredients : 11

Main Ingredients : Terminalia chebula, Emblica officinalis, Citrullus colocynthis, Symplocos cochinchinensis, Piper nigrum, Piper longum, Embelia ribes, Jaggery.

Indication : Piles, Constipation. Recommended in Anaemia, Fever, Cardiac disorders, Skin diseases, Worm infestation, Sprue, Pthiasis, Oedema.

Dosage : 15-25 ml. b.d., after food or as directed by the physician.

Presentation : 450 ml.

2. AHIPHENASAVAM: (Bhaishajyaratnavali)

Total Ingredients : 9

Ingredients : Madhuca indica, Honey, Elettaria cardamomum, Nelumbium speciosum, Santalum album, Opium, Cyperus rotundus, Myristica fragrans, Holarrhena antidysenterica.

Indication : Diarrhoea and Dysentery. Useful even in Cholera

Dosage : 10 drops or as directed by the physician.

Presentation : 10 ml.

3. AMRUTHARISHTAM:(Bhaishajyaratnavali)

Total Ingredients : 23

Main Ingredients : Tinospora cordifolia, Dasamoolam, Jaggery, Apium graveolens, Oldenlandia corymbosa, Cyperus rotundus, Picrorrhiza curroa, Aconitum heterophyllum, Holarrhena antidysenterica.

Indication : Fever, Flu, Indigestion.

Dosage : 15 ml - 25 ml b.d., after food or as directed by the physician.

Presentation : 450 ml.

4. ARAGWADHARISHTAM: (Ashtangahridayam)

Total Ingredients : 21

Main Ingredients : Cassia fistula, Azadirachta indica, Tinospora cordifolia, Moringa oleifera, Cyclea peltata, Ficus glomerata, Trichosanthes anguina, Jaggery.

Indication : Skin diseases. Recommended in Chronic wounds, Vitiligo, Scabies etc.

Dosage : 15-25 ml. b.d., after food or as directed by the physician.

Presentation : 450 ml.

5. ARAVINDASAVAM: (Bhaishajyaratnavali)

Total Ingredients : 27

Main Ingredients : Nelumbium speciosum (flower), Vetiveria zizanioides, Rubia cordifolia, Elettaria cardamomum, Sida cordifolia, Cyperus rotundus, Hemidesmus indicus, Acorus calamus, Merrimia turpethum, Oldenlandia corymbosa, Glycyrrhiza glabra, Raisins, Sugar, Honey.

Indication : Skin diseases, Loss of appetite and Indigestion in children. Recommended as a general tonic to children for achieving health and strength to the body.

Dosage : 5 - 20 ml. b.d., after food or as directed by the physician.

Presentation : 450 ml.

6. ASOKARISHTAM (Bhaishajyaratnavali)

Total Ingredients : 15

Main Ingredients : Saraca asoka, Jaggery, Apium graveolens, Coscinium fenestratum, Cuminum cyminum, Emblica officinalis, Adhatoda beddomei, Santalum album.

Indication : Menstrual disorders like Dysmenorrhoea, Menorrhagia etc., Leucorrhoea, Abdominal colic and Indigestion. Recommended as Uterine tonic.

Spl. Indication : In female sterility, it can be used with Aswagandharishtam.

Dosage : 15-25 ml. b.d., after food or as directed by the physician.

Presentation : 450 ml.

7. ASWAGANDHARISHTAM: (Bhaishajyaratnavali)

Total Ingredients : 27

Main Ingredients : Withania somnifera, Curculigo orchoides, Rubia cordifolia, Glycyrrhiza glabra, Ipomoea mauritiana, Santalum album, Acorus calamus, Hemidesmus indicus, Curcuma longa, Alpinia calcarata, Elettaria cardamomum, Honey.

Indication : Mental disorders like Insanity, Epilepsy etc., Recommended in Rheumatic complaints, Cardiac complaints. Renders physical strength and vigour.

Dosage : 15-25 ml. b.d., after food or as directed by the physician.

Presentation : 450 ml.

8. AYASKRITHI: (Ashtangahridayam)

Total Ingredients : 49

Main Ingredients : Pterocarpus marsupium, Acacia catechu, Santalum album, Pongamia pinnata, Panchakolam, Iron sheets, Honey.

Indication : Diabetes mellitus, Anaemia, Vitiligo, Haemorrhoids, Skin diseases.

Dosage : 15-25 ml. b.d., after food or as directed by the physician.

Presentation : 450 ml.

9. BALARISHTAM: (Bhaishajyaratnavali)

Total Ingredients : 12

Ingredients : Sida cordifolia, Withania somnifera, Jaggery, Holostemma ada-kodien, Ricinus communis. Alpinia calcarata, Elettaria cardamomum, Merrimia tridentata, Eugenia caryophyllate, Vetiveria zizanioides, Tribulus terrestris, Woodfordia fruticosa.

Indication : Rheumatic and Nervous disorders. Recommended as a general tonic to all age groups. Renders appetite, physical strength and health. Effective in convalescence period.

Dosage : 15-25 ml, b.d., after food or as directed by the physician.

Presentation : 450 ml.

10. CHANDANASAVAM: (Bhalshajyaratnavali)

Total Ingredients : 26

Main Ingredients : Santalum album, Cyperus rotundus, Gmelina arborea, Caesalpinia sappan, Symplocos cochinchinensis, Pterocarpus santalinus, Kaempferia galanga, Trichosanthes anguina, Raisins, Sugar, jaggery.

Indication : Gonorrhoea, Urinary diseases, Urinary calculi, Haematuria, Leucorrhoea, Anorexia and burning sensation of body. Renders appetite.

Dosage : 15-25 ml. b.d., after food or as directed by the physician.

Presentation : 450 ml.

11. CHAVIKASAVAM: (Brihatnighanturatnakaram)

Total Ingredients : 34

Main Ingredients : Piper brachystachym, Plumbago rosea, Acorus calamus, Kaempferia galanga, Triphala, Coriandrum sativum, Baliospermum montanum, Embelia ribes, Thrikatu, Jaggery.

Indication : Pthiasis, Ascites, Nasal catarrh, Anorexia, Rhinitis, Chronic sinusitis, Cough and other disorders related upper and lower respiratory tract, Dyspepsia.

Dosage : 15-25 ml. b.d., after food or as directed by the physician.

Presentation : 450 ml.

12. DANTHYARISHTAM: (Ashtangahridayam)

Total Ingredients : 17

Main Ingredients : Baliospermum montanum, Dasamoolam, Triphala, Plumbago rosea, Jaggery, Woodfordia fruticosa.

Indication : Bleeding piles, Constipation, Loss of appetite. Recommended in Sprue, Worm infestation, Oedema.

Dosage : 15-25 ml. b.d., after food or as directed by the physician.

Presentation : 450 ml.

13. DASAMOLARISHTAM: (Bhaishajyaratnavali)

Total Ingredients : 70

Main Ingredients : Dasamoolam, Tinospora cordifolia, Emblica officinalis, Clerodendrum serratum, Alpinia calcarata, Curcuma longa, Piper longum, Cyperus rotundus, Ipomoea mauritiana, Withania somnifera, Raisins, Jaggery, Honey, Santalum album.

Indication : Rheumatic disorders. Recommended in Cough, Bronchitis, Dyspnoea, Gastric disorders, Vomiting, Dysuria and Anaemia. It is a general tonic and can be used in Post-natal care. Renders physical strength, vigour and vitality.

Dosage : 15-25 ml. b.d., after food or as directed by the physician.

Presentation : 450 ml.

14. DHANWANTHARARISHTAM: (Ashtangahridayam)

- Total Ingredients : 70
- Main Ingredients : Sida cordifolia, Hordeum vulgare, Ziziphus jujuba, Horse gram, Dasamoolam, Asparagus racemosus, Withania somnifera, Hemidesmus indicus, Ipomoea mauritiana, Acorus calamus, Boerhavia diffusa, Peucedanum graveolens, Jaggery, Piper longum, Piper nigrum, Santalum album, Nardostachys jatamansi
- Indication : Specially indicated for Post-natal care and Post-natal disorders. Recommended in rheumatic complaints like Hemiplegia, Spondylitis, Sprain and General fatigue.
- Dosage : 15-25 ml. b.d., after food or as directed by the physician.
- Presentation : 450 ml.

15. DRAKSHARISHTAM: (Sarngadharasamhitha)

- Total Ingredients : 10
- Main Ingredients : Raisins, Jaggery, Chathurjathakam, Aglaia roxburghiana, Piper longum, Piper nigrum, Embelia ribes.
- Indication : General weakness, Loss of appetite, Dyspnoea, Cough, Bronchitis, Anaemia, Chronic throat diseases. Recommended in Habitual constipation.
- Dosage : 15-25 ml. b.d., after food or as directed by the physician.
- Presentation : 450 ml.

16. DURALABHARISHTAM: (Ashtangahridayam)

- Total Ingredients : 12
- Main Ingredients : Tragia involucrata, Baliospermum montanum, Cyclea peltata, Plumbago rosea, Terminalia chebula, Emblica officinalis, Dried ginger, Adhatoda beddomei, Sugar, Aglaia roxburghiana, Piper spp., Woodfordia fruticosa.
- Indication : Haemorrhoids, Anorexia and Constipation.
- Dosage : 15-25 ml. b.d., after food or as directed by the physician.
- Presentation : 450 ml.

17. JEERAKARISHTAM:(Bhaishajyaratnavali)

- Total Ingredients : 13
- Main Ingredients : Cuminum cyminum, Jaggery, Woodfordia fruticosa, Dried ginger, Myristica fragrans, Cyperus rotundus, Chathurjathakam, Illicium verum, Eugenia caryophyllata.
- Indication : Post-natal disorders. Indicated in Loss of appetite, Flatulence, Indigestion, Hiccup, Bronchitis Dyspnoea, Sprue.
- Dosage : 15-25 ml. b.d., after food or as directed by the physician.
- Presentation : 450 ml.

18. KANAKASAVAM:(Bhaishajyaratnavali)

- Total Ingredients : 13
- Main Ingredients : Datura stramonium, Adhatoda beddomei, Madhuca indica, Piper longum, Solanum xanthocarpum, Mesua ferrea, Dried ginger, Clerodendrum serratum, Abies spectabilis, Woodfordia fruticosa, Raisins, Sugar, Honey.

Indication : A reputed bronchodilator. Recommended in Bronchial asthma, Cough, Hiccup, Dyspnoea etc.
Dosage : 15-25 ml. b.d., after food or as directed by the physician.
Presentation : 450 ml.

19. KARPOORASAVAM:(Bhaishajyaratnavali)

Total Ingredients : 7
Main Ingredients : Rectified spirit, Elettaria cardamomum, Cyperus rotundus, Dried ginger, Cuminum cyminum, Piper nigrum, Camphor.
Indication : Abdominal colic, Dysentery, Diarrhoea, Indigestion.
Dosage : 5-10 drops with luke warm Cumin seed water.
Presentation : 10 ml.

20. KHADIRARISHTAM: (Bhaishajyaratnavali)

Total Ingredients : 18
Main Ingredients : Acacia catechu, Psoralea corylifolia, Coscinium fenestratum, Triphala, Honey, Sugar, Woodfordia fruticosa, Illicium verum, Myristica fragrans, Piper longum, Thrijathakam, Eugenia caryophyllata, Mesua ferrea.
Indication : Skin diseases. Recommended as an excellent blood purifier. Also indicated in Anaemia, Obesity, Worm infestation; cough, splenic disorders.
Dosage : 15 - 25 ml. b.d., after food or as directed by the physician.
Presentation : 450 ml.

21. KUMARYASAVAM: (Sarngadharasamhitha)

Total Ingredients : 45
Main Ingredients : Aloe vera, Jaggery, Honey, Iron, Embelia ribes, Thrikatu, Picrorrhiza curroa, Coriandrum sativum, Curcuma longa, Coscinium fenestratum, Sida cordifolia, Glycyrrhiza glabra, Mucuna pruriens, Boerhavia diffusa, Woodfordia fruticosa, Ferri sulphuretum (processed)
Indication : Dysmenorrhoea, Oligomenorrhoea, Anorexia, Urinary tract infection and Abdominal colic. Used as an Uterine tonic, increases strength & complexion.
Dosage : 15-25 ml. b.d., after food or as directed by the physician.
Presentation : 450 ml.

22. KUTAJARISHTAM: (Bhaishajyaratnavali)

Total Ingredients : 6
Main Ingredients : Holarrhena antidysenterica, Raisins, Madhuca indica (Flower), Gmelina arborea (fruit), Jaggery, Woodfordia fruticosa.
Indication : Diarrhoea and Dysentery. Recommended in Sprue, Colic, Flatulence and Fever associated with diarrhoea.
Dosage : 15-25 ml. b.d., after food or as directed by the physician.
Presentation : 450 ml.

23. LODHRASAVAM: (Ashtangahridayam)

Total Ingredients	: 32
Main Ingredients	: Symplocos cochinchinensis, Chonemorpha macrophylla, Kaempferia galanga, Embelia ribes, Clerodendrum serratum, Aconitum heterophyllum, Trichosanthes anguina, Solanum indicum, Cuminum cyminum, Thriphala, Honey.
Indication	: Diabetes, Anaemia, Worm infestation. Recommended to reduce excess fat in the body. Vitiligo, skin diseases.
Dosage	: 15-25 ml. b.d., after food or as directed by the physician.
Presentation	: 450 ml.

24. LOHASAVAM: (Samgadharamsamhitha)

Total Ingredients	: 14
Main Ingredients	: Iron (processed), Thrikatu, Thriphala, Cuminum cyminum, Embelia ribes, Cyperus rotundus, Plumbago rosea, Woodfordia fruticosa, Honey, Jaggery.
Indication	: Anaemia. Recommended in Skin disorders, Pthiasis, Bleeding piles, Sprue, Cardiac disorders and Obesity.
Dosage	: 15-25 ml. b.d., after food or as directed by the physician.
Presentation	: 450 ml.

25. MADHOOKASAVAM: (Ashtangahridayam)

Total Ingredients	: 9
Main Ingredients	: Madhuca indica, Embelia ribes, Plumbago rosea, Semicarpus anacardium, Rubia cordifolia, Honey, Elettaria cardamomum, Vetiveria zizanioides, Santalum album.
Indication	: Sprue. Recommended in Fatigue, Emaciation, Skin disorders and Dropsy, Diabetes.
Dosage	: 15-25 ml. b.d., after food or as directed by the physician.
Presentation	: 450 ml.

26. MRUDWEEKARISHTAM: (Samgadharamsamhitha)

Total Ingredients	: 17
Main Ingredients	: Raisins, Sugar candy, Honey, Woodfordia fruticosa, Illicium verum, Piper nigrum, Elettaria cardamomum, Piper longum, Plumbago rosea, Piper aurantiacum, Santalum album, Camphor.
Indication	: Piles, Pthiasis, Diseases related to ear, nose and throat. Recommended in General fatigue, Skin problems.
Dosage	: 15-25 ml. b.d., after food or as directed by the physician.
Presentation	: 450 ml.

27. MUSTHARISHTAM: (Bhaishajyaratnavali)

Total Ingredients	: 10
Main Ingredients	: Cyperus rotundus, Jaggery, Woodfordia fruticosa, Carum carvi, Dried ginger, Piper nigrum, Eugenia caryophyllata, Trigonella foenum-graecum, Plumbago rosea, Cuminum cyminum.
Indication	: Intestinal colic, Indigestion, Loss of appetite, Sprue, Diarrhoea and Worm infestation. Effectively used with Aravindasavam in children

Dosage : 15 - 25 ml. b.d., after food or as directed by the physician.
Presentation : 450 ml.

28. PARTHARISHTAM: (Bhaishajyaratnavali)

Total Ingredients : 5
Ingredients : Terminalia arjuna, Raisins, Madhuca indica (flower), Jaggery, Woodfordia fruticosa.
Indication : Cardiac complaints. Recommended to retain physical strength. Can be given in Hypertension and associated symptoms.
Dosage : 15 - 25 ml. b.d., after food or as directed by the physician.
Presentation : 450 ml.

29. PIPPALYASAVAM: (Bhaishajyaratnavali)

Total Ingredients : 26
Main Ingredients : Piper longum, Piper nigrum, Curcuma longa, Plumbago rosea, Embelia ribes, Cyclea peltata, Emblica officinalis, Santalum album, Nardostachys jatamansi, Eleteria cardamomum, Raisins, Jaggery, Woodfordia fruticosa.
Indication : Anorexia, General fatigue, Pthiasis, Ascites, Sprue, Piles, Loss of appetite, Flatulence and Splenic disorders.
Dosage : 15 - 25 ml. b.d., after food or as directed by the physician.
Presentation : 450 ml.

30. POOTHIKASAVAM: (Ashtangahridayam)

Total Ingredients : 5
Main Ingredients : Holoptelia integrifolia, Thrikatu, Jaggery.
Indication : Haemorrhoids, Splenic diseases, Ascites, Constipation. Improves digestion.
Dosage : 15-25 ml. b.d., after food or as directed by the physician.
Presentation : 450 ml.

31. PUNARNAVASAVAM: (Bhaishajyaratnavali)

Total Ingredients : 24
Main Ingredients : Boerhavia diffusa, Azadirachta indica, Tinospora cordifolia, Raisins, Adhatoda beddomei, Ricinus communis, Solanum melongena, var. insanum, Tribulus terrestris, Thrikatu, Sugar, Honey.
Indication : Dropsy, Anaemia, Liver disorders, Fever, Splenic disorders. Ascites, Swelling.
Dosage : 15 - 25 ml. b.d., after food or as directed by the physician.
Presentation : 450 ml.

32. ROHITHAKARISHTAM: (Bhaishajyaratnavali)

Total ingredients : 14
Main ingredients : Aphanamixis polystachya, Piper longum, Piper retrofractum, Plumbago Zeylanica, Zingiber officinalis, Cinnamomum zeylanicum, Eleteria Cardamomum, Cinnamomum tamala, Terminalia chebula, Terminalia Bellarica, Emblica officinalis, Woodfordia fruticosa
Indication : Indigestion, Ascitis, Problems related spleen
Dosage : 12-24 ml or as directed by physician
Presentation : 450 ml

33. SARASWATHARISHTAM: (Bhaishajyaratnavali)

- Total Ingredients : 19
Main Ingredients : Bacopa monnieri, Ipomoea mauritiana, Asparagus racemosus, Honey, Sugar, Merrimia turpethum, Acorus calamus, Withania somnifera, Tinospora cordifolia, Embelia ribes, Gold (24 carat-processed).
Indication : Increases memory power, restores mental harmony. Recommended in Mental disorders, Stammering and Fear, good for children above three years.
Dosage : 2 - 4 drops preferably with milk at bed time.
Presentation : 10 ml.

34. SARIBADYASAVAM:(Bhaishajyaratnavali)

- Total Ingredients : 26
Main Ingredients : Hemidesmus indicus, Symplocos cochinchinensis, Kaempferia galanga, Caesalpinia sappan, Tinospora cordifolia, Vetiveria zizanioides, Santalum album, Pterocarpus santalinus, Picrorrhiza curroa, Amomum subulatum, Elettaria cardamomum, Holostemma ada-kodien, Jaggery, Raisins.
Indication : Arthritic complaints, Uriwo-genital disorders, Leucorrhoea, Painful and burning micturition, Diabetes.
Dosage : 15-25 ml. b.d., after food or as directed by the physician.
Presentation : 450 ml.

35. USEERASAVAM: (Bhaishajyaratnavali)

- Total Ingredients : 25
Main Ingredients : Vetiveria zizanioides, Coleus zeylanicus, Aglaia roxburghiana, Caesalpinia sappan, Rubia cordifolia, Andrographis paniculata, Oldenlandia corymbosa, Raisins, Sugar, Honey.
Indication : Epistaxis, Recommended in Anaemia, Skin disorders, Worm infestation, Swelling etc. Diabetes.
Dosage : 15-25 ml. b.d. after food or as directed by the physician.
Presentation : 450 ml.

36. VASARISHTAM: (Ayurvedic Formulary of India)

- Total Ingredients : 12
Main Ingredients : Adhatoda beddomei, Thrikatu, Chathurjathakam, Piper cubeba, Coleus zeylanicus, Jaggery, Woodfordia fruticosa.
Indication : Productive cough, Bronchitis, Laryngitis. Recommended in Epistaxis.
Dosage : 15-25 ml. b.d., after food or as directed by the physician.
Presentation : 450 ml.

37. VIDARYADYASAVAM: (Ashtangahridayam)

- Total Ingredients : 20
Main Ingredients : Ipomoea mauritiana, Ricinus communis, Boerhavia diffusa, Cedrus deodara, Teramnus labialis, Phaseolus trilobus, Mucuna pruriens, Hemidesmus indicus, Holostemma ada-kodien, Desmodium gangeticum, Pseudarthria viscida, Jaggery.
Indication : Fatigue, Emaciation, General weakness, Cough, Respiratory disorders, Fever and Cardiac complaints.
Dosage : 15-25 ml. b.d., after food or as directed by the physician.
Presentation : 450 ml.

38. MOOLAKASAVAM: (An Ayurvedic Proprietary medicine)

Total ingredients : 11

Ingredients : Raphanus sativus, Azadiracta indica, Thriphala, Glycyrrhiza glabra, milk, Honey etc.

Indication : Skin disease etc.

Presentation : 450 ml

Thailam

1. AMRUTHADI THAILAM (Cheruthu): (Sahasrayogam)

Total Ingredients : 6

Main Ingredients : *Tinospora cordifolia*, *Santalum album*, *Hemidesmus indicus*, *Cyperus rotundus*, *Embllica officinalis*, Gingelly oil.

Indication : Rheumatic disorders, Mental diseases, Epistaxis.

Usage : For external application only.

Presentation : 200 ml., 450 ml.

2. AMRUTHADI THAILAM (Valuthu): (Charakasamhitha)

Total Ingredients : 36

Main Ingredients : *Tinospora cordifolia*, *Glycyrrhiza glabra*, *Boerhavia diffusa*, *Alpinia calcarata*, *Ricinus communis*, *Holostemma ada-kodien*, *Withania somnifera*, *Sida cordifolia*, *Ipomoea mauritiana*, *Aegle marmelos*, *Hordeum vulgare*, Horse gram, Gingelly oil, *Santalum album*, Cow milk.

Indication : Rheumatic disorders, Emaciation, Fatigue, Fracture, Mental disorders. More potent than Amruthadi thailam (cheruthu).

Usage : For external application only.

Presentation : 200 ml., 450 ml.

3. ANUTHAILAM: (Ashtangahridayam)

Total Ingredients : 28

Main Ingredients : *Holostemma ada-kodien*, *Cedrus deodara*, *Cyperus rotundus*, *Santalum album*, *Coscinium fenestratum*, *Asparagus racemosus*, *Glycyrrhiza glabra*, *Embelia ribes*, *Desmodium gangeticum*, *Sida cordifolia*, Gingelly oil, Goat milk.

Indication : Diseases related with nose, throat, head. Recommended in Headache, Anosmia, Chronic sinusitis, Nasal polyps etc.

Usage : For nasal application only. 4-10 drops in nostrils or as directed by the physician.

Presentation : 10 ml., 50 ml.

4. ARIMEDADI THAILAM: (Ashtangahridayam)

Total Ingredients : 40

Main Ingredients : Acacia ferruginea, Acacia catechu, Red ochre, Santalum album, Glycyrrhiza glabra, Coscinium fenestratum, Curcuma longa, Cyperus rotundus, Thriphala, Rubia cordifolia, Myristica fragrans, Eugenia caryophyllata, Camphor, Gingelly oil.

Indication : Pyorrhoea, Stomatitis, Gingivitis and Dental diseases.

Usage : Apply inside the mouth or use for gargling. Apply over head before bath in dental diseases or use as directed by the physician.

Presentation : 200 ml., 450 ml.

Total Ingredients : 7

Main Ingredients : Eclipta alba, Tinospora cordifolia, Elephantopus scaber, Cynodon dactylon, Cardiospermum halicacabum, Musa sapientum (rhizome), Gingelly oil.

Indication : Anaemia. Effective in prophylactic period of Jaundice.

Usage : For external application over head.

Presentation : 200 ml., 450 ml.

6. ASANELADI THAILAM: (Proprietary Medicine)

Total Ingredients : 34

Main Ingredients : Pterocarpus marsupium, Aegle marmelos, Sida cordifolia, Tinospora cordifolia, Elettaria cardamomum, Kaempferia galanga, Saffron, Commiphora wightii, Gingelly oil, Cow milk.

Indication : Chronic rhinitis, Scabies, Dandruff, Headache, and diseases related with head.

Usage : For external application over head.

Presentation : 200 ml., 450 ml.

7. ASANELADI VELICHENNA: (Proprietary Medicine)

Total Ingredients : 34

Main Ingredients : Pterocarpus marsupium, Aegle marmelos, Sida cordifolia, Tinospora cordifolia, Elettaria cardamomum, Kaempferia galanga, Saffron, Commiphora wightii, Coconut oil, Cow milk.

Indication : Chronic rhinitis, Scabies, Dandruff, Headache and diseases related with head.

Usage : For external application over head.

Presentation : 200 ml., 450 ml.

8. ASANAMANJISHTADI THAILAM: (Proprietary Medicine)

Total Ingredients : 35

Main Ingredients : Pterocarpus marsupium, Aegle marmelos, Sida cordifolia, Tinospora cordifolia, Rubia cordifolia, Hemidesmus indicus, Thriphala, Chathurjathakam, Vetiveria zizanioides, Gingelly oil, Aloe vera, Cow milk, Camphor.

Indication : Eye diseases, Headache.

Recommended in diseases related to head, Otorrhoea, Otitis media.

Usage : For external application over head.
Can be dropped in ear or as directed by the physician.

Presentation : 200 ml., 450 ml

9. ASANAVILWADI THAILAM: (Sahasrayogam)

Total Ingredients : 11

Main Ingredients : Pterocarpus marsupium, Aegle marmelos, Sida cordifolia, Tinospora cordifolia, Glycyrrhiza glabra, Triphala. Dried ginger, Gingelly oil, Cow milk.

Indication : Headache, Otorrhoea, Eye diseases, Rhinitis.

Usage : For external application over head.

Presentation : 200 ml., 450 ml.

10. ASANAVILWADI VELICHENNA: (Sahasrayogam)

Total Ingredients : 11

Main Ingredients : Pterocarpus marsupium, Aegle marmelos, Sida cordifolia, Tinospora cordifolia, Glycyrrhiza glabra, Triphala, Dried ginger, Coconut oil, Cow milk.

Indication : Headache, Otorrhoea, Burning sensation in eye, Rhinitis.

Usage : For external application over head.

Presentation : 200 ml., 450 ml.

11. BALADHATHRYADI THAILAM: (Sahasrayogam)

Total Ingredients : 58

Main Ingredients : Sida cordifolia, Emblica officinalis, Tinospora cordifolia, Vetiveria zizanioides, Santalum album, Thrijathakam, Asparagus racemosus, Ipomoea mauritiana, Raisins, Saffron, Kaempferia galanga, Hemidesmus indicus, Eugenia caryophyllata, Cedrus deodara, Triphala, Gingelly oil, Cow milk.

Indication : Burning sensation over head, Insanity, Headache, Diseases of nervous system.

Usage : For external application over head.

Presentation : 200 ml., 450 ml.

12. BALAGULUCHYADI THAILAM: (Sahasrayogam)

Total Ingredients : 12

Main Ingredients : Sida cordifolia, Tinospora cordifolia, Cedrus deodara, Santalum album, Withania somnifera, Alpinia calcarata, Gingelly oil.

Indication : Burning sensation, Pain, Swelling etc. related with Arthritis. Recommended in Rheumatoid arthritis.

Usage : For external application over head and affected areas.

Presentation : 200 ml., 450 ml.

13. BALAGULUCHYADI VELICHENNA: (Sahasrayogam)

Total Ingredients : 12

Main Ingredients : Sida cordifolia, Tinospora cordifolia, Cedrus deodara, Santalum album, Withania somnifera, Alpinia calcarata, Coconut oil.

Indication : Burning sensation, Pain, Swelling etc. related with Arthritis. Recommended in Rheumatoid arthritis.

Usage : For external application over head.

Presentation : 200 ml., 450 ml.

14. BALAHATADI THAILAM: (Sahasrayogam)

- Total Ingredients : 9
Main Ingredients : Sida cordifolia, Emblica officinalis, Tinospora cordifolia, Phaseolus radiatus, Phaseolus mungo, Gingelly oil, Santalum album, Saussurea lappa, Glycyrrhiza glabra.
Indication : Headache.
Usage : For external application over head.
Presentation : 200 ml., 450 ml.

15. BALASWAGANDHADI THAILAM: (Sahasrayogam) (Balaswagantha Lakshadi thailam)

- Total Ingredients : 22
Main Ingredients : Sida cordifolia, Withania somnifera, Coccus lacca, Alpinia calcarata, Glycyrrhiza glabra, Curcuma longa, Peucedanum graveolens, Gingelly oil, Cow milk, Butter milk.
Indication : Rheumatic complaints, Fatigue, Physical weakness, Mental diseases, Emaciation. Recommended in Post-natal care.
Usage : For external application all over body.
Presentation : 200 ml., 450 ml.

16. BALA THAILAM: (Ashtangahridayam)

- Total Ingredients : 55
Main Ingredients : Sida cordifolia, Tinospora cordifolia, Alpinia calcarata, Cow milk, Gingelly oil, Butter milk, Coscinium fenestratum, Santalum album, Cyperus rotundus, Ocimum sanctum, Ipomoea mauritiana, Vitex negundo, Eugenia caryophyllata, Acorus calamus, Asphaltum, Camphor, Saffron.

Presentation : 10 ml.

33. GANDHARVAHASTHA THAILAM: (Ashtangasangraham)

- Total Ingredients : 5
Main Ingredients : *Ricinus communis*, *Hordeum vulgare*, Dried ginger, Cow milk, Castor oil.
Indication : An effective and harmless purgative in Low back-ache, Body aches and Rheumatic complaints.
Usage : Internally 5 - 15 ml. with hot milk or juice of *Vitex negundo* leaves or suitable kashaya at bed time or as directed by the physician.
Presentation : 50 ml.

34. GOPADMAJADI VELICHENNA: (Sahasrayogam)

- Total Ingredients : 14
Main Ingredients : *Cynodon dactylon*, *Hemidesmus indicus*, *Ksheerivriksha* (buds), Coconut oil, Cow milk.
Indication : Scabies, Erysepelas, Abscess and Burning sensation in skin disorders.
Usage : For external application only.
Presentation : 200 ml., 450 ml.

35. GULGULUMARICHADI THAILAM: (Ashtangahridayam)

- Total Ingredients : 17
Main Ingredients : *Commiphora wightii*, *Piper nigrum*, *Embelia ribes*, Yellow resin, Yellow orpiment, *Curcuma longa*, Gingelly oil, Coconut oil, *Hydnocarpus* oil.
Indication : Chronic skin diseases, Keratitis, Crack foot.
Usage : For external application over affected area.
Presentation : 500 g.

36. HINGUTHRIGUNAM THAILAM: (Ashtangahridayam)

- Total Ingredients : 4
Main Ingredients : Ferula asafoetida, Rock salt, Castor oil, Allium sativum.
Indication : Hydrocele, Pthiasis, Ascites.
Usage : 5-25 ml. with Cow urine or suitable kashayas in empty stomach or as directed by the physician.
Presentation : 50 g., 100 g.

37. JATHYADI VELICHENNA: (Sarngadharasamhitha)

- Total Ingredients : 19
Main Ingredients : Jasminum grandiflorum, Oldenlandia corymbosa, Cyathula prostrata, Aerva lanata, Azadirachta indica, Vitex negundo, Coconut oil, Rubia cordifolia, Curcuma longa, Pongamia pinnata, Blue vitriol, Bee wax.
Indication : Chronic wounds, Wounds in vital points, Burns, Abscess.
Usage : A tampon soaked in this, inserted into the deep wounds, cleans and cures the wounds speedily. For external application.
Presentation : 200 ml., 450 ml.

38. JEEVANTHYADI YAMAKAM: (Ashtangahridayam)

- Total Ingredients : 10
Main Ingredients : Holostemma ada-kodien, Rubia cordifolia, Blue vitriol, Gingelly oil, Buffalo ghee, Yellow resin, Bees wax.
Indication : Chilblain, Cracks in foot, palms and lips, Skin diseases.
Usage : For external application.
Presentation : 50 g., 100 g.

39. KANJUNNYADI THAILAM: (Sahasrayogam)

- Total Ingredients : 7
Main Ingredients : Eclipta alba, Tinosporacordifolia, Emblica officinalis, Galena, Glycyrrhiza glabra, Gingelly oil, Tinospora cordifolia, Cow milk.
Indication : Headache, Ophthalmic disturbances. Prevents premature greying and loss of hair. Enhances growth of hair.
Usage : For external application over head.
Presentation : 200 ml., 450 ml.

40. KANJUNNYADI VELICHENNA: (Sahasrayogam)

- Total Ingredients : 7
Ingredients : Eclipta alba, Tinospora cordifolia, Emblica officinalis, Galena, Glycyrrhiza glabra, Coconut oil, Cow milk.
Indication : Same as Kanjunnyadi thailam.
Usage : For external application over head.
Presentation : 200 ml., 450 ml.

41. KARAPPAN THAILAM:(Proprietary Medicine)

- Total Ingredients : 22
Main Ingredients : Eclipta alba, Asparagus racemosus, Tectona grandis (Young shoot), Cynodon dactylon, Coconut oil, Vetiveria zizanioides, Thriphala, Embelia ribes, Santalum album, Rubia cordifolia.
Indication : Paediatric skin disorders. Can be also used for Poisonous skin disorders in adults.
Usage : For external application only.
Presentation : 200 ml., 450 ml.

42. KARNAPOORANA THAILAM: (Ashtangahridayam)

- Total Ingredients : 8
Main Ingredients : Aconitum heterophyllum, Ferula asafoetida, Peucedanum graveolens. Cinnamomum zeylanicum, Unaqua NaCl, Piper nigrum, Gingelly oil, Mustard oil, Dhanyamlam.
Indication : Otagia, Deafness, Otorrhoea and other ear diseases.
Usage : 2-3 drops in ears b.d. with bearable warmth or as directed by the physician.
Presentation : 200 ml., 450 ml.

43. KARPASASTHYADI THAILAM: (Sahasrayogam)

- Total Ingredients : 17
Main Ingredients : Gossypium herbaceum, Sida cordifolia, Phaseolus mungo, Alpinia calcarata, Peucedanum graveolens, Dried Ginger, Moringa oleifera, Boerhavia diffusa, Gingelly oil, Goat milk.
Indication : Hemiplegia, Facial palsy, Brachial palsy.
Usage : Application over head and body. Used for 'Nasya' in facial palsy and brachial palsy. Fomentation with Calotropis leaves is preferable after applying over the affected area.
Presentation : 200 ml., 450 ml.

44. KARPASASTHYADI KUZHAMBU: (Sahasrayogam)

- Total Ingredients : 19
Main Ingredients : Gossypium herbaceum, Sida cordifolia, Phaseolus mungo, Alpinia calcarata, Peucedanum graveolens. Dried Ginger, Moringa oleifera, Boerhavia diffusa, Gingelly oil, Castor oil, Cow ghee, Goat milk.
Indication : Same as Karpasasthyadi thailam. Not recommended for nasya and application on head.
Usage : For external application.
Presentation : 200 ml., 450 ml.

45. KARPOORADI THAILAM: (Proprietary Medicine)

- Total Ingredients : 3
Ingredients : Camphor, Apium graveolens, Coconut oil.
Indication : Pain and Swelling over joints.
Usage : For external application.
Presentation : 450 ml., 200 ml., 100 ml.

46. KOTTAMCHUKKADI THAILAM: (Sahasrayogam)

Total Ingredients : 12
Main Ingredients : Tamarindus indica (Leaves), Saussurea lappa, Dried ginger, Acorus calamus, Allium sativum, Alpinia calcarata, Gingelly oil, Curd.
Indication : Rheumatic complaints. Recommended for relieving Muscle cramp, Numbness, Lassitude and Swelling seen in rheumatic complaints.
Usage : For external application.
Presentation : 200 ml., 450 ml.

47. KOTTAMCHUKKADI KUZHAMBU: (Sahasrayogam)

Total Ingredients : 14
Main Ingredients : Tamarindus indica (Leaves), Saussurea lappa, Dried ginger, Acorus calamus, Allium sativum, Alpinia calcarata, Gingelly oil, Curd, Cow Ghee, Castor Oil.
Indication : Rheumatic complaints. Recommended for relieving Muscle cramp, Numbness, Lassitude and Swelling seen in rheumatic complaints.
Usage : For external application.
Presentation : 200 ml., 450 ml.

48. KSHEERABALA THAILAM: (Sahasrayogam)

Total Ingredients : 3
Main Ingredients : Sida cordifolia, Cow milk, Gingelly oil.
Indication : Rheumatic complaints.
Usage : Internal as well as external application on head and body. Can be used for 'Nasya', 'Pichu', 'Dhara', 'Vasthi'.
Presentation : 200 ml., 450 ml.

49. KSHEERABALA 7 AVARTHI: (Sahasrayogam)

50. KSHEERABALA 14 AVARTHI: (Sahasrayogam)

51. KSHEERABALA 21 AVARTHI: (Sahasrayogam)

52. KSHEERABALA 41 AVARTHI: (Sahasrayogam)

53. KSHEERABALA 101 AVARTHI: (Sahasrayogam)

Ingredients : Same as Ksheerabala thailam.
Indication : Same as Ksheerabala thailam.
Usage : Preferably for internal use as additive in kashaya or in lukewarm Cumin seed water or milk and for external application over head and affected areas.
Dosage : 5-10 drops
Presentation : 10 g.

54. KURUNTHOTTI ENNA: (Proprietary Medicine)

Ingredients : Wrought iron (processed).
Indication : Iron deficiency anaemia, Ascites, Pthisis, Diabetes, Sprue and Jaundice.
Dosage : 125 - 200 mg. o.d. with Butter milk/Lemon juice and honey or as directed by the physician.
Presentation : 5g., 10 g.

8. LOHA SINDOORAM: (Rasatharangini)

Ingredients : Ferrum (processed).
Indication : Anaemia, Jaundice, Worm infestation, Obesity, Diabetes, Splenic disorders, Dropsy, Skin disorders, Ascites, Hyperacidity, Peptic ulcer.
Dosage : 125 - 200 mg. b.d. with honey/ ghee/ Lemon juice/Triphala kashayam/ Triphala choornam/ Thrikatu choornam or as directed by the physician.
Presentation : 5g., 10 g.

9. MANDOORA BHASMAM: (Ayurvedic Formulary of India Part -1)

Ingredients : Iron rust (processed).
Indication : Splenic disorders, Hepatomegaly, Cirrhosis, Jaundice, Dropsy, Anaemia.
Dosage : 125 - 200 mg. b.d. with honey/Triphala kashayam/juice of Boerhavia diffusa, Lemon juice or as directed by the physician.
Presentation : 10 g.

10. PANA VIRALADI BHASMAM: (Sahasrayogam)

Total Ingredients : 4
Ingredients : Borassus flabellifer, Achyranthus aspera, Hygrophila auriculata, Musa paradisiaca
Indication : Inflammatory conditions
Dosage : Along with buttermilk / rice gruel or as directed by physician
Presentation : 50 g

11. PRAVALA BHASMAM: (Rasathrangini)

Ingredient	: Red coral (processed)
Indication	: Dropsy, Respiratory diseases, Cardiac disorders like palpitation and tachycardia, Dysuria, Osteomyelitis.
Dosage	: 125-250 mg. b.d. with rice wash/honey/milk/ghee etc. as directed by the physician.
Presentation	: 5 g., 10 g.

12. SANKHA BHASMAM: (The Ayurvedic Formulary of India)

Ingredient	: Conch shell
Indication	: Dyspepsia, digestive impairment, malabsorption syndrome, Enlargement of liver and spleen, duodenal ulcer.
Usage	: 125 to 250 mg bd along with lemon juice or triphala kashaya or as directed by physician.

Kashayachornam

Dosage: 60 g. kashaya choornam with 16 times water (960 ml) boil and reduce to 1/4. Use twice daily before food or as directed by the physician

1. AMRUTHOTHARAM KASHAYACHOORNAM: (Sahasrayogam)

Total Ingredients : 3
Ingredients : *Tinospora cordifolia*, *Terminalia chebula*, Dried ginger.
Indication : Fever, Flu, Cold and Headache. Used as a digestant in Rheumatic fever.
Presentation : 250 g., 500 g., 1 kg., 3 kg.

2. ASHTAVARGAM KASHAYACHOORNAM: (Sahasrayogam)

Total Ingredients : 8
Ingredients : *Sida cordifolia*, *Strobilanthes ciliatus*, *Ricinus communis*, Dried ginger, *Alpinia calcarata*, *Cedrus deodara*, *Vitex negundo*, *Allium sativum*.
Indication : Rheumatic complaints, Hemiplegia, Numbness, Vertigo, Hypertension.
Presentation : 250 g., 500 g., 1 Kg., 2.5 Kg.

3. BHADRADARVADI KASHAYACHOORNAM: (Ashtangahridayam)

Total Ingredients : 15
Ingredients : *Cedrus deodara*, Indian valerian, *Saussurea lappa*, Dasamoolam, *Sida cordifolia*
Indication : Rheumatic diseases.
Presentation : 250 g., 500 g., 1 kg, 2.5 kg.

4. BHARANGYADI KASHAYA CHOORNAM: (Sahasrayogam)

Total ingredients : 11
Ingredients : *Clerodendrum serratum*, *Tinospora cordifolia*, *Zingiber officinale*, *Cyprus rotundus* etc
Indication : Intermittent fever, Cough
Presentation : 250gm, 1kg

5. BRUHATHYADI KASHAYACHOORNAM: (Ashtangahridayam)

Total Ingredients : 5
Ingredients : Desmodium gangeticum, Pseudarthria viscida, Solanum melongena, Aerva lanata, Tribulus terrestris.
Indication : Urinary infection, Calculi, Dysuria, Haematuria, Urolithiasis.
Presentation : 250 g., 500 g., 1 kg., 2.5 kg.

6. CHIRUVILWADI KASHAYACHOORNAM: (Sahasrayogam)

Total Ingredients : 6
Ingredients : Holoptelia integrifolia, Boerhavia diffusa, Plumbago rosea, Terminalia chebula, Piper longum, Dried ginger.
Indication : Piles, Fistula, Pthisis, Indigestion, Loss of appetite.
Presentation : 250 g., 500 g., 1 kg., 2.5 kg.

7. DASAMOOLAKATUTHRAYAM KASHAYACHOORNAM: (Sahasrayogam)

Total Ingredients : 14
Ingredients : Dasamoolam, Thrikatu, Adhatoda beddomei.
Indication : Respiratory disorders, Rhinitis, Cold, Bodyache, Headache, Cough, Flu, Fever and Low back-ache.
Presentation : 250g., 1 Kg.

8. DASAMOOLAM KASHAYACHOORNAM: (Bhaishajyaratnavali)

Total Ingredients : 10
Ingredients : Dasamoolam.
Indication : Rheumatic Complaints, Respiratory Complaints, Flu, Cold, Cough.
Presentation : 250g., 500g., 1 Kg., 2.5 Kg.

9. DHANWANTHARAM KASHAYACHOORNAM: (Ashtangahridayam)

Total Ingredients : 44
Ingredients : Sida cordifolia, Hordeum vulgare, Ziziphus jujuba, Horse gram, Dasamoolam, Asparagus racemosus, Withania somnifera, Ipomoea mauritiana, Santalum album, Cedrus deodara, Rubia cordifolia, Boerhavia diffusa, Glycyrrhiza glabra, Peucedanum graveolens, Hemidesmus indicus, Elettaria cardamomum, Thriphala.
Indication : Useful in Rheumatic complaints. Recommended in Post natal care for getting relief from post-partum strain and for improving physical strength.
Presentation : 250g., 500g., 1 Kg., 2.5 Kg.

10. DRAKSHADI KASHAYACHOORNAM : (Ashtangahridayam)

Total Ingredients : 16
Ingredients : Raisins, Madhuca indica, Glycyrrhiza glabra, Symplocos cochinchinensis, Gmelina arborea, Hemidesmus indicus, Cyperus rotundus, Emblica officinalis, Coleus zeylanicus, Lotus stamen, stem and rhizome, Caesalpinia sappan, Santalum album, Vetiveria zizanioides, Phoenix farinifera.
Indication : General debility, Fatigue, Giddiness, Fainting, Epistaxis, Dizziness, Fever, Vomitting. Can be recommended in Antenatal care. Jaundice.
Presentation : 250 g., 500 g., 1 kg., 2.5 kg.

11. ELAKANADI KASHAYACHOORNAM: (Sahasrayogam)

Total Ingredients : 19
Ingredients : *Elettaria cardamomum*, *Piper longum*, *Glycyrrhiza glabra*, Dried ginger, *Cyperus rotundus*, *Adhatoda beddomei*, *Azadirachta indica*, *Tinospora cordifolia*, *Coleus zeylanicus*, *Dasamoolam*.
Indication : Bronchitis, Cough, Flu, Fever, Dyspnoea, Consumption, Anorexia.
Presentation : 250 g., 500 g., 1 kg., 2.5 kg.

12. GANDHARVAHASTHADI KASHAYACHOORNAM: (Sahasrayogam)

Total Ingredients : 8
Ingredients : *Ricinus communis*, *Holoptelia integrifolia*, *Plumbago rosea*, Dried ginger, *Terminalia chebula*, *Boerhavia diffusa*, *Tragia involucrata*, *Curculigo orchioides*.
Indication : Rheumatic complaints, Flatulence, Loss of appetite, Constipation, Anorexia, Low back-ache.
Presentation : 250 g., 500 g., 1 kg., 2.5 kg.

13. GOJIHWADI KASHAYA CHOORNAM: (Siddhayoga samgraha)

Total ingredients : 15
Main ingredients : *Portulaca oleracea*, *Glycyrrhiza glabra*, *Anethum graveolens*, *Vitis vinifera*, *Ficus racemosa*, *Ziziphus jujuba*, *Adhatoda beddomei*
Indication : Cold & Feverishness, Cough, Asthma
Presentation : 50g., 500g

14. GULUCHYADI KASHAYACHOORNAM: (Ashtangahridayam)

Total Ingredients : 5
Ingredients : *Tinospora cordifolia*, *Caesalpinia sappan*, *Azadirachta indica*, *Coriandrum sativum*, *Pterocarpus santalinus*.
Indication : Fever, Vomiting, Burning sensation, Thirst, Skin disorders, Fainting due to excessive heat.
Presentation : 250 g., 500 g., 1 kg., 2 kg.

15. GULGULUTHIKTHAKAM KASHAYACHOORNAM: (Ashtangahridayam)

Total Ingredients : 31
Ingredients : *Commiphora wightii*, *Panchathiktham*, *Cyclea peltata*, *Embelia ribes*, *Curcuma longa*, *Alpinia calcarata*, *Aconitum heterophyllum*.
Indication : Rheumatic complaints, Arthritis, Chronic skin diseases, Fistula, Sinuses, Pthisis.
Presentation : 250 g., 500 g., 1 kg, 2.5 kg.

16. INDUKANTHAM KASHAYACHOORNAM: (Sahasrayogam)

Total Ingredients : 18
Ingredients : *Holoptelia integrifolia*, *Cedrus deodara*, *Dasamoolam*.
Indication : Anorexia, Colic, Intermittent fever. Promotes health and strength by improving metabolism.
Presentation : 250 g., 500 g., 1 kg., 2.5 kg.

17. KHADIRADI KASHAYACHOORNAM: (Proprietary Medicine)

Total Ingredients : 4
Ingredients : *Murraya koenigii*, *Terminalia chebula*, *Trichosanthes anguina*, Dried ginger.
Indication : Diarrhoea, Indigestion, Heart burn, Colic, Flatulence, Amoebic dysentery.
Presentation : 250 g., 500 g., 1 kg., 2 kg.

18. MAHAMANJISHTADI KASHAYA CHOORNAM: (Sahasrayogam)

Total Ingredients : 45
Main Ingredients : *Rubia cordifolia*, *Holorrhena antidysentrica*, *Cyperus rotundus*, *Tinospora cardifolia*, *Zingiber officinale* etc.
Indication : Paralysis, fibriasis, Rheumatic complaints.
Presentation : 250 gm, 500 gm, 2.5 kg.

19. MAHARASNADI KASHAYACHOORNAM: (Sarnghadharasamhitha)

Total Ingredients : 26
Ingredients : *Alpinia calcarata*, *Sida cordifolia*, *Ricinus communis*, *Acorus calamus*, *Boerhavia diffusa*, *Tinospora cordifolia*, *Cassia fistula*, *Tribulus terrestris*, *Withania somnifera*, *Aconitum heterophyllum*, *Solanum melongena*.
Indication : Rheumatic diseases like Hemiplegia, Brachial palsy, Sciatica etc., Rheumatic fever. Also recommended in Hernia, Elephantiasis, Lassitude, Numbness.
Presentation : 250 g., 500 g., 1 kg., 2.5 kg.

20. MANJISHTADI KASHAYACHOORNAM: (Sarnghadharasamhitha)

Total Ingredients : 9
Ingredients : *Rubia cordifolia*, *Thriphala*, *Solanum indicum*, *Acorus calamus*, *Cedrus deodara*, *Curcuma longa*, *Tinospora cordifolia*, *Azadirachta indica*.
Indication : Arthritis, Skin diseases, Diabetes, Chilblain.
Presentation : 250 g., 500 g., 1 kg., 3 kg.

21. MRUDWEEKADI KASHAYACHOORNAM: (Sahasrayogam)

Total Ingredients : 4
Ingredients : Raisins, *Glycyrrhiza glabra*, *Azadirachta indica*, *Picorrhiza kurroa*.
Indication : Thirst, Fainting, Alcoholism, Delusions.
Presentation : 250 g., 500 g., 1 kg., 2 kg.

22. MUSALIKHADIRADI KASHAYACHOORNAM: (Sahasrayogam)

Total Ingredients : 6
Ingredients : *Curculigo orchioides*, *Acacia catechu*, *Emblica officinalis*, *Tribulus terrestris*, *Asparagus racemosus*, *Syzygium cumini*.
Indication : Leucorrhoea, Dysfunctional uterine bleeding, Albuminuria.
Presentation : 250 g., 500 g., 1 kg., 3 kg.

23. MUSTHAKARANJADI KASHAYACHOORNAM: (Sahasrayogam)

Total Ingredients : 8
Ingredients : Cyperus rotundus, Pongamia pinnata, Aconitum heterophyllum, Plumbago rosea, Aegle marmelos, Dried ginger, Piper spp., Holarrhena antidysenterica.
Indication : Diarrhoea, Dysentery, Colic.
Presentation : 250 g., 500 g., 1 kg., 2.5 kg.

24. NAYOPAYAM KASHAYACHOORNAM: (Sahasrayogam)

Total Ingredients : 3
Ingredients : Terminalia chebula, Cuminum cyminum, Dried ginger.
Indication : Dyspnoea, Hiccup, Flatulence, Nausea, Vomitting.
Presentation : 250 g., 500 g., 1 kg., 2.5 kg.

25. NEELIKARANJADI KASHAYACHOORNAM: (Proprietary Medicine)

Total Ingredients : 10
Ingredients : Indigofera tinctoria, Pongamia pinnata, Azadirachta indica, Albizzia lebbeck, Moringa oleifera, Cyperus rotundus, Acorus calamus, Dried ginger, Cedrus deodara, Santalum album.
Indication : Snake poison.
Presentation : 250 g., 500 g., 1 kg., 3 kg.

26. NEELIMOOLADI KASHAYACHOORNAM: (Proprietary Medicine)

Total Ingredients : 15
Ingredients : Indigofera tinctoria, Pongamia pinnata, Azadirachta indica, Alangium lamarckii, Moringa oleifera, Albizzia lebbeck, Cyperus rotundus, Acorus calamus, Dried ginger, Cedrus deodara, Santalum album, Cuminum cyminum, Withania somnifera, Saussurea lappa, Rauwolfia serpentina.
Indication : Poisonous insect bites, Chronic skin diseases.
Presentation : 250 g, 500 g, 1 kg, 3 kg.

27. NEELITHULASYADI KASHAYACHOORNAM: (Proprietary Medicine)

Total Ingredients : 14
Ingredients : Indigofera tinctoria, Ocimum sanctum, Vitex negundo, Hemidesmus indicus, Allium sativum, Thrikatu, Withania somnifera, Santalum album, Glycyrrhiza glabra, Saussurea lappa, Indian valerian, Aristolochia indica.
Indication : Poisonous bite, Chronic skin diseases.
Presentation : 250 g., 500 g., 1 Kg., 3 Kg.

28. NISAKATHAKADI KASHAYACHOORNAM:(Sahasrayogam)

Total Ingredients : 8
Ingredients : Curcuma longa, Strychnos potatorum, Emblica officinalis, Ixora coccinea, Symplocos cochinchinensis, Aerva lanata, Salacia fruticosa, Vetiveria zizanioides.
Indication : Diabetes mellitus (NIDDM).
Presentation : 250 g., 500 g., 1 kg., 2.5 kg.

29. PADOLADIGANAM KASHAYACHOORNAM: (Ashtangahridayam)

Total Ingredients : 6
Ingredients : Trichosanthes anguina, Picrorrhiza kurroa, Santalum album, Chonemorpha macrophylla, Tinospora cordifolia, Cyclea peltata.
Indication : Acute and Chronic skin diseases, Vomitting, Poisonous bites, Jaundice.
Presentation : 250 g., 500 g., 1 kg., 2.5 kg.

30. PASHANABHEDADI KASHAYA CHOORNAM: (Bhaishajya ratnavali)

Total ingredients : 9
Main ingredients : Rotula aquatic, Glycyrrhiza glabra, Elettaria cardamomum, Ricinus Communis, Adhatoda beddomei, Tribulus terrestris, Terminalia chebula Piper longum, Sugar
Indication : Urinary problems like burning sensation, burning micturition, stone, painful micturition
Presentation : 50g, 500g

31. PHALATHRIKADI KASHAYA CHOORNAM: (Chakradatta)

Total ingredients : 6
Main ingredients : Emblica officinalis, Terminalia chebula, Terminalia bellirica, Picrorrhiza kurroa, Trichosanthes cucumerina
Indication : Jaundice, Anaemia, Heart burn
Presentation : 50g., 500g

32. PANCHATHIKTHAKAM KASHAYACHOORNAM: (Sarngadharasamhitha)

Ingredients : Merrimia tridentata, Phaseolus mungo, Sida cordifolia, Allium sativum, Alpinia calcarata, Dried ginger.
Indication : Brachial palsy and other Rheumatic complaints.
Presentation : 250 g., 500 g., 1 kg., 2.5 k

36. PUNARNAVADI KASHAYACHOORNAM: (Sahasrayogam)

Total Ingredients : 8
Ingredients : Boerrhavia diffusa, Azadirachta indica, Trichosanthes anguina, Dried ginger, Solanum indicum, Tinospora cordifolia, Coscinium fenestratum, Terminalia chebula.
Indication : Dropsy, Bodyache, Fever, Bronchial disturbances, Urinary infection, Productive cough, Arthritis, Rheumatic complaints, Anaemia.
Presentation : 250 g., 500 g., 1 kg., 2.5 kg.

37. RASNASAPTHAKAM KASHAYACHOORNAM: (Sahasrayogam)

Total Ingredients : 7
Ingredients : Alpinia calcarata, Tinospora cordifolia, Cassia fistula, Cedrus deodara, Tribulus terrestris, Ricinus communis, Boerrhavia diffusa.
Indication : Rheumatic fever and related symptoms like joint pain, swelling, body ache and fever.
Presentation : 250 g., 500 g., 1 kg., 2.5 kg.

38. RASNEIRANDADI KASHAYACHOORNAM: (Sahasrayogam)

Total Ingredients : 14
Ingredients : Alpinia calcarata, Ricinus communis, Sida cordifolia, Strobilanthes ciliatus, Asparagus racemosus, Tragia involucrata, Adhatoda beddomei, Tinospora cordifolia, Cedrus deodara, Aconitum heterophyllum, Cyperus rotundus, Asteracantha longifolia, Kaempferia galanga, Dried ginger.
Indication : Rheumatic complaints, Arthritis, Lumbago, Joint pain, Vertigo, Painful Swelling over joints.
Presentation : 250 g., 500 g., 1 kg., 2.5 kg.

39. SAHACHARADI KASHAYA CHOORNAM: (Astangahridayam)

Total ingredients : 3
Main ingredients : Zingiber officinale, Strobilanthes ciliates, Cedrus deodara
Indication : Rheumatic diseases, Vericosity, Lassitude
Presentation : 50g,500g

40. SAPTASARAM KASHAYACHOORNAM: (Sahasrayogam)

Total Ingredients : 7
Ingredients : Boerrhavia diffusa, Aegle marmelos, Horse gram, Ricinus communis, Strobilanthes ciliatus, Dried ginger, Premna serratifolia.

Indication : Rheumatic complaints, Dysmenorrhoea, Low back-ache, Menstrual irregularities, Indigestion, Ascites, Splenic disorders.
Presentation : 250 g., 500 g., 1 kg., 2.5 kg.

41. SHADANGAM KASHAYA CHOORNAM: (Astangahridayam)

Total ingredients : 6
Main ingredients : Zingiber officinale, Santalum album, Vetiveria zizanioides
Indication : Improves digestion, It reduces thirst in fever
Presentation : 50g, 500g

42. VARANADI KASHAYACHOORNAM: (Ashtangahridayam)

Total Ingredients : 17
Ingredients : Crataeva religiosa, Strobilanthes ciliatus, Asparagus racemosus, Plumbago rosea, Semicarpus anacardium.
Indication : Headache, Carbuncles, Obesity, Anorexia, Rheumatic complaints. Effective in Inflammation and Growths in visceral organs.
Presentation : 250 g., 500 g., 1 kg., 2.5 kg.

43. VASAGULUCHYADI KASHAYACHOORNAM: (Ashtangahridayam)

Total Ingredients : 8
Ingredients : Adhatoda beddomei, Tinospora cordifolia, Triphala, Picrorrhiza kurroa, Solanum indicum, Azadirachta, indica.
Indication : Jaundice, Anaemia, Hyper bilirubinemia.
Presentation : 250g., 1Kg.

44. VIDARYADI KASHAYACHOORNAM: (Ashtangahridayam)

Total Ingredients : 18
Ingredients : Ipomoea mauritiana, Ricinus communis, Boerhavia diffusa, Cedrus deodara, Desmodium trifoliatum, Jeevanapanchamoolam, Laghu panchamoolam.
Indication : Cough, Bronchitis, Cardiac disorders like palpitation and tachycardia, Fatigue, General debility. Helpful to regain health and body weight.
Presentation : 250 g., 500 g., 1 kg., 2.5 kg.

45. VYAGHRIYADI KASHAYA CHOORNAM: (Sahasrayogam)

Total ingredients : 3
Ingredients : Tinospora cordifolia, Zingiber officinale, Solanum melongina
Indication : Fever, Cold, Respiratory tract infection
Presentation : 250gm, 1kg

46. VYOSHADI KASHAYACHOORNAM: (Sahasrayogam)

Total Ingredients : 15

Ingredients : Thrikatu, Apium graveolens, Boerhavia diffusa, Saccharum officinarum, Iron (processed), Terminalia chebula, Sida cordifolia, Tamarindus indica (rachis), Iron rust (purified), Citrus acida, Curcuma longa, Vitis quadrangularis, Desmodium trifoliatum

- 10. DHANWANTHARAM KASHAYAM:** (Ashtangahridayam)
Ingredients & Indication : Same as Dhanwantharam kashayachoomnam.
Presentation : 200 ml.
- 11. DRAKSHADI KASHAYAM:** (Ashtangahridayam)
Ingredients & Indication : Same as Drakshadi kashayachoomnam.
Presentation : 200 ml.
- 12. DUSPARSAKADI KASHAYAM (Ashtangahridayam)**
Total Ingredients : 5
Main Ingredients : Tragia involucrata, Aegle marmelos, Cuminum cyminum, Dried ginger, Cyclea peltata.
Indication : Pain and other symptoms related with Piles and fistula.
Presentation : 200ml.
- 13. ELAKANADI KASHAYAM:** (Sahasrayogam)
Ingredients & Indication : Same as Elakanadi kashayachoomnam.
Presentation : 200 ml.
- 14. GANDHARVAHASTHADI KASHAYAM:** (Sahasrayogam)
Ingredients & Indication : Same as Gandharvahasthadi kashayachoomnam.
Presentation : 200 ml.
- 15. GULGULUTHIKTHAKAM KASHAYAM:** (Ashtangahridayam)
Ingredients & Indication : Same as Gulguluthikthakam kashayachoomnam.
Presentation : 200 ml.
- 16. GULUCHYADI KASHAYAM:** (Ashtangahridayam)
Ingredients & Indication : Same as Guluchyadi kashayachoomnam.
Presentation : 200ml.

17. INDUKANTHAM KASHAYAM: (Sahasrayogam)

Ingredients & Indication : Same as Indukantham kashayachoomnam.

Presentation : 200 ml.

18. KATHAKAKHADIRADI KASHAYAM: (Sahasrayogam)

Total Ingredients : 12

Main Ingredients : Strychnos potatorum, Acacia catechu, Emblica officinalis, Salacia fruticosa, Coscinium fenestratum, Biophytum sensitivum, Ziziphus jujuba, Curcuma longa, Cyclea peltata, Mangifera indica (nut), Terminalia chebula, Cyperus rotundus.

Indication : Diabetes mellitus (NIDDM). Also recommended in the symptoms related with DM.

Presentation : 200 ml.

19. KOKILAKSHAM KASHAYAM: (Ashtangahridayam)

Total no:of ingredients : 1

Main ingredient : Hygrophila auriculata

Indication : Rheumatoid Arthrities, Gout.

Presentation : 200 ml.

20. MAHAMANJISHTADI KASHAYAM: (Sahasrayogam)

Total Ingredients : 45

Main ingredients : Rubia cordifolia, Holorrhena antidysentrica, Cyperus rotundus, Tinospora cordifolia, Zingiber officinale etc

Indication : Vatharaktham, paralysis, filariasis, obesity, eye diseases etc.

Presentation : 200 ml.

21. MAHARASNADI KASHAYAM: (Sarngadharasamhitha)

Ingredients & Indication : Same as Maharasnadi kashayachoomnam.

Presentation : 200 ml.

22. MAHATHIKTHAKAM KASHAYAM: (Ashtangahridayam)

Total Ingredients : 33

Ingredients : Symplocos cochinchinensis, Oldenlandia corymbosa, Cassia fistula, Picrorrhiza curroa, Thriphala, Curcuma longa, Coscinium fenestratum, Azadirachta indica, Tinospora cordifolia, Bacopa monnieri.

Indication : Chronic skin disorders, Jaundice, Vitiligo, Impetigo, Fistula, Sinuses, Scrofula, Cataract, Cellulitis.

Presentation : 200 ml.

23. MANJISHTADI KASHAYAM: (Sarngadharasamhitha)

Ingredients & Indication : Same as Manjishtadi kashayachoomnam.

Presentation : 200 ml.

24. MUSALIKHADIRADI KASHAYAM: (Sahasrayogam)

Ingredients & Indication : Same as Musalikhadiradi kashayachoomnam.

Presentation : 200 ml.

25. NIRGUNNYADI KASHAYAM: (Sahasrayogam)

Total ingredients : 17
Main ingredients : Vitexnigundo, Curcuma longa, Plumbagozeylanica, Embeliaribes, Cedrusdeodara etc.
Indicaiton : Worm infestation, indigestion, colic.
Presentation : 200 ml.

26. MUSTHAKARANJADI KASHAYAM: (Sahasrayogam)

Ingredients & Indication : Same as Musthakaranjadi kashayachoomnam.
Presentation : 200 ml.

27. NAYOPAYAM KASHAYAM: (Sahasrayogam)

Ingredients & Indication : Same as Nayopayam kashayachoomnam.
Presentation : 200 ml.

28. NIMBADI KASHAYAM: (Sahasrayogam)

Total Ingredients : 10
Ingredients : Azadirachta indica, Tinospora cordifolia, Zingiber officinale, Emblica officinalis, Terminalia chebula
Indication : Skin diseases, abscess, etc.
Presentation : 200 ml.

29. NISAKATHAKADI KASHAYAM: (Sahasrayogam)

Ingredients & Indication : Same as Nisakathakadi kashayachoomnam.
Presentation : 200 ml.

30. PADOLADIGANAM KASHAYAM: (Ashtangahridayam)

Ingredients & Indication : Same as Padoladiganam kashayachoomnam.
Presentation : 200 ml.

31. PANCHATHIKTHAKAM KASHAYAM: (Sarngadharasamhitha)

Ingredients & Indication : Same as Panchathikthakam kashayachoomnam.
Presentation : 200 ml.

32. PATHYADI KASHAYAM: (Ashtangahridayam)

Ingredients & Indication : Same as Pathyadi kashayachoomnam.
Presentation : 200 ml.

33. PATHYAKSHADHATHRYADI KASHAYAM: (Sahasrayogam)

Ingredients & Indication : Same as Pathyakshadhathryadi Kashayachoomnam.
Presentation : 200 ml.

34. PRASARANYADI KASHAYAM: (Sahasrayogam)

Ingredients & Indication : Same as Prasaranyadi kashayachoomnam.
Presentation : 200 ml.

35. PUNARNAVADI KASHAYAM: (Sahasrayogam)

Ingredients & Indication : Same as Punarnavadi kashayachoomnam.

Presentation : 200 ml.

36. RASONADI KASHAYAM: (Sahasrayogam)

Total Ingredients : 4

Main ingredients : Allium sativum, Nigella sativa, Piper longum, Desmodium gangeticum

Indication : Vathanulomanam

Presentation : 200 ml.

37. RASNASAPTHAKAM KASHAYAM: (Sahasrayogam)

Ingredients & Indication : Same as Rasnasapthakam kashayachoomnam.

Presentation : 200 ml.

38. RASNEIRANDADI KASHAYAM: (Sahasrayogam)

Ingredients & Indication : Same as Rasneirandadi kashayachoomnam.

Presentation : 200 ml.

39. SAHACHARADI KASHAYAM: (Ashtangahridayam)

Ingredients & Indication : Same as Sahacharadi kashaya choornam

Indication : Rheumatic diseases, Varicosity, Lassitude.

Presentation : 200 ml.

40. SAPTHASARAM KASHAYAM: (Sahasrayogam)

Ingredients & Indication : Same as Sapthasaram kashayachoomnam.

Presentation : 200 ml.

41. SUKUMARAM KASHAYAM: (Ashtangahridayam)

Total Ingredients : 27

Main Ingredients : Boerhavia diffusa, Dasamoolam, Holostemma adakodien, Withania somnifera, Ricinus communis, Asparagus racemosus, Thrinapanchamoolam.Sphaeranthus indicus.

Indication : Hyperacidity, Hernia, Pthisis, Constipation, Piles,Hydrocele, Menstrual disorders, Urinogenital disorders. Improves bowel evacuation.

Presentation : 200 ml.

42. THRAYANTHYADI KASHAYAM: (Ashtangahrudayam)

Total no:of ingredients : 10

Main ingredients : Bacepa monnieri, Terminalia chebula, Terminalia bellerica, Azadirachta indica, Madhuka indica,Operculina turpethum etc.

Indication : Vidradhi, Rokthapitha, Hridroga, skin diseases, jaundice and associated liver disorders.

Presentation : 200 ml.

43. VAJRAKAM KASHAYAM: (Sahasrayogam)

Total Ingredients : 9
Main Ingredients : Trichosanthes anguina, Thriphala, Azadirachta indica, Tinospora cordifolia, Solanum indicum, Adhatoda beddomei, Pongamia pinnata.
Indication : Skin diseases, Vitiligo, Fever, Jaundice.
Presentation : 200 ml.

44. VARANADI KASHAYAM: (Ashtangahridayam)

Total Ingredients : 15
Ingredients & Indication : Same as Varanadi kashayachooram.
Presentation : 200 ml.

45. VASAGULUCHYADI KASHAYAM: (Ashtangahridayam)

Total Ingredients : 8
Main Ingredients : Adhatoda beddomei, Tinospora cordifolia, Thriphala, Picrorrhiza, kurroa, Solanum indicum, Azadirachta, indica.
Indication : Jaundice, Anaemia, Hyper bilirubinemia
Presentation : 200 ml.

46. VIDARYADI KASHAYAM: (Ashtangahridayam)

Ingredients & Indication : Same as Vidaryadi kashayachooram.
Presentation : 200 ml.

47. VYOSHADI KASHAYAM: (Sahasrayogam)

Ingredients & Indication : Same as Vyoshadi kashayachooram.
Dosage : 5 - 15 ml kashayam with 60 ml buttermilk b.d. after food or as directed by the physician.

Total Ingredients : 10

Main ingredients : Piper longum, Piper longum root, Piper chaba, Plumbago Indica, Zingiber officinalis, Terminalia chebula, Terminalia bellirica, Emblica officinalis, Murraya koenigii, Allium sativum

Indication : Hypercholesterolemia and associated symptoms

Dosage : 2 tabs twice daily half an hour before food.

Packing : 100 Nos.

6. OUSHADHI BABY OIL

Total Ingredients : 5

Main ingredients : Coconut Oil, Virgin Coconut Oil, Ocimum sanctum, Ixora coccinea, Carum carvi

Indication : Application on head and body for Children.

Packing : 100 ml.

7. OUSHADHI BLISS BALM

Total Ingredients : 14

Main Ingredients : Kachooradi Choornam Ointment base

Indication : Head ache, Cold, Feverishness.

Usage : For external application over forehead

Presentation : 10 g.

8. OUSHADHI CHYAVANAPRASAM

(Chocolate flavoured)

Total Ingredients : 52

Main Ingredients : Chyavanaprasam, Bacopa monnieri, Acorus calamus, Saffron, Almonds.

Indication : Emaciation, Respiratory complaints, General debility. Restores immunity power and youth. Enhances memory power.

Dosage : 2 tsp. b.d. after food preferably with milk.

Presentation : 250 g., 500 g.

9. OUSHADHI COUGH SYRUP

Total Ingredients : 17

Main Ingredients : Adhatoda beddomei, Clerodendrum serratum, Thrikatu, Terminalia bellirica, Glycyrrhiza glabra, Ocimum sanctum, Coleus aromaticus, Camphor.

Indication : Allergic dry cough, Throat irritation, Hoarseness of voice.

Dosage : Adult: 5ml-10ml Twice or Thrice daily. Children: 2.5ml-5ml Twice or Thrice daily.

Presentation : 100ml.

10. OUSHADHI DAHASAMANI

Total Ingredients : 7

Ingredients : Acacia catechu, Sarasaparilla, Vetiveria zizanioides, Caesalpinia sappan, Elettaria cardamomum, Dried ginger, Petrocarpus marsupicum.

Indication : Thirst, Dryness of mouth, Distaste, Fatigue.

Dosage : 3 - 5 g. powder in one litre water boil and cool, can be used as drinking water for all age groups.

Presentation : 50 g.

11. OUSHADHI HAIRTONE

Total Ingredients : 19

Ingredients : Caryota urens, Terminalia bellirica (whole plant), Emblica officinalis. Eclipta alba, Indigofera tinctoria, Terminalia chebula, Lotus stamens, Glycyrrhiza glabra, Galena.

Indication : Dandruff, Premature greying, Loss of hair.

Usage : Massage the scalp with hair-tone for ten minutes before bath. Avoid soap.

Presentation : 100 ml., 200 ml.

12. OUSHADHI MURIVENNA OINTMENT

Total Ingredients : 3

Ingredients : Murivenna, Bee wax, White petroleum jelly

Indication : Wounds, Sprain, Contusions, Bruises over vital points and Burns.

Usage : For external application only.

Presentation : 10 g.

13. OUSHADHI RHEUMAJITH OINTMENT

Total Ingredients : 12

Ingredients : Sahacharadi thailam, Dhanwantharam kuzhambu, Prabhanjanavimardanam, Narayana thailam, Kottamchukkadi thailam, Winter grass oil, Mustard oil, Camphor, Bee wax, White petroleum jelly

Indication : Rheumatic pain, Inflammation, Contusions and Sprain.

Dosage : For external application over the affected area. Gentle massage, followed with fomentation is preferred.

Presentation : 10 g.

14. OUSHADHI THENGINPOOKKULAMRUTHAM

Total Ingredients : 29

Main Ingredients : Cocos nucifera (inflorescence), Ariyaru, Jeerakathrayam, Thrikatu, Jaggery, Coconut juice, Ghee, Honey.

Indication : Low back-ache in both sex, Leucorrhoea, Menorrhagia, Post -natal disorders, Increases breast milk, improves health and vigour.

Dosage : 2 tsp. b.d. after food preferably with milk.

Presentation : 400 g.

15. OUSHADHI TOOTH POWDER

Total Ingredients : 16

Ingredients : Mangifera indica (leaves), Elettaria cardamomum, Glycyrrhiza glabra, Red ochre, Myristica fragrans, Eugenia caryophyllata, Camphor.

Indication : Pyorrhoea, Bleeding and Spongy gums, Toothache. Prevents Dental Caries, strengthens teeth and gum. Useful to all age groups and restores oral hygiene.

Dosage : For dental application.

Presentation : 25 g.

16. PRAMEHOUSHADHI

- Total Ingredients : 14
- Ingredients : Emblica officinalis, Salacia fruticosa, Curcuma longa, Trigonella foenum-graecum, Vernonia anthelmintica, Phyllanthus amarus, Mimordica charantia.
- Indication : Diabetes mellitus. Reduces Drowsiness, Fatigue and Constipation related with Diabetes.
- Dosage : 5-10 gm. powder in boiled and cooled water, preferably prepared with DIABET DRINKS in empty stomach in the morning. Dose may be maintained according to the blood sugar level as directed by the physician.
- Presentation : 100 g., 250 g.

17. PRAMEHOUSHADHI TABLET:

- Total ingredients : 14
- Main ingredients : Emblica officinalis, Salacia oblonga, Curcuma longa, Trigonella foenum-graceum, Vernonia anthelmintica, Phyllanthus amarus, Caesalpinia sappan, Pterocarpus marsupium, Strychnos potatorum, Ixora coccinea, Symlocos cochinchinensis, Aerva lanata, Vetiveria Zizanioides, Momordica charantia
- Indication : Diabetes Mellitus. Reduces drowsiness, Fatigue, and constipation related with diabetes
- Dosage : 1-2 tab twice daily 10 min before food or as directed by the physician
- Presentation : 10 x 10 blister of 500mg tab

18. PSORSET OINTMENT

- Total Ingredients : 5
- Ingredients : Wrightia tinctoria, sodium borate, Coconut oil, Ointment base.
- Indication : Psoriasis, Dermatitis, Allergic Skin Diseases.
- Usage : For external application over forehead
- Presentation : 50 g.

19. PSORSET OIL

- Total Ingredients : 3
- Ingredients : Wrightia tinctoria, sodium borate, Coconut oil
- Indication : Psoriasis, Dermatitis, Allergic Skin Diseases.
- Dosage : For external application over forehead
- Presentation : 100ml.

20. SUDARSANAM TABLET: (Sudarsanachooram - Sahasrayogam)

- Total Ingredients : 54
- Ingredients : Sudarsana choornam
- Indication : Fever and associated symptoms.
- Dosage : 1-2 tabs, with Honey/Suitable kashayam, twice/thrice daily before food or as directed by the Physician.
- Presentation : 10 x 10 Blister pack

21. SHADDHARANAM TABLET: (Shaddharana Chooram - Susruthasamhitha)

Total Ingredients : 6
Ingredients : Plumbago rosea, Seeds of Holarrhena antidysenterica, Cyclea peltata, Picrorrhiza curroa, Aconitum heterophyllum, Terminalia chebula.
Indication : Rheumatic fever and associated symptoms.
Dosage : 1 -2 tabs with Honey/Buttermilk/Suitable kashayam, twice/thrice daily before food or as directed by the Physician
Presentation : 10 x 10 Blister pack.

22. VIGOR PLUS (Capsules)

Total Ingredients : 13
Main Ingredients : Withania somnifera, Mucuna Pruriens, Asparagus Racemosus, Tribulus terrestris, Boerhavia diffusa, Piper longum, Silajathu
Indication : General fatigue, sexual Dysfunctions, Emaciation, Improves physical strength & Vigor, Recommended for the management of male infertility.
Dosage : 2 capsules twice daily after food preferably with milk.
Presentation : 60 caps in White HDPE Bottles

23. OUSHADHI FACEPACK

Total Ingredients : 9
Main Ingredients : curcuma aromatica, Coriandrum sativum, rubia cordifolia, Curcuma longa, Acorus calamus etc.
Indication : Varnyam, Enhance complexion of the face.
Dosage : External application along with rose water/honey/buttermilk according to skin type.
Presentation : 50 gm.

24. KONNAYILAKADUKADI LEPAM: (An Ayurvedic Proprietary medicine)

Total ingredients : 6
Ingredients : Cassia fistula, Brassica nigra, curcuma longa, butter milk, cream base etc
Indication : Itching and fungal infections of skin.
Usage : External application only
Presentation : 25gm tube

APPENDIX I

INDEX OF MAIN INGREDIENTS

SCIENTIFIC NAME	SANSKRIT NAME	MALAYALAM NAME	PARTS USED
<i>Abies webbiana</i>	Thaleesapathram	Thaleesapathram	Leaf
<i>Abrus precatorius</i>	Gunja	Kunni	Seed
<i>Acacia ferruginea</i>	Arimeda	Karivelam	Stem bark
<i>Acacia catechu</i>	Khadira	Karingali	Heart wood
<i>Achyranthes aspera</i>	Apamarga	Valiyakataladi	Whole plant, Root
<i>Aconitum ferox</i>	Valsanabha	Valsanabhi	Rhizome
<i>Aconitum heterophyllum</i>	Athivisha	Athivitayam	Rhizome
<i>Acorus calamus</i>	Vacha	Vayambu	Rhizome
<i>Adhatoda beddomei</i>	Vasa	Atalotakam	Whole plant, Root, Leaf
<i>Aegle marmelos</i>	Vilwam	Koovalam	Leaf, Root, Fruit pulp
<i>Aerva lanata</i>	Bhadra	Cheroola	Root
<i>Aglaia roxburghiana</i>	Priyangu	Njazhal	Flower
<i>Alangium lamarckii</i>	Ankolam	Azhinjil	Root
<i>Albizia lebbek</i>	Sireesha	Nenmenivaka	Stem bark
<i>Allium cepa</i>	Palandu	Chuvannulli	Bulb
<i>Allium sativum</i>	Lasuna	Vellulli	Bulb
<i>Aloe vera</i>	Kumari	Kattarvazha	Leaf
<i>Alpinia galanga</i>	Rasna	Chittaratha	Rhizome
<i>Alstonia scholaris</i>	Sapthaparna	Ezhilampala	Stem bark, Root
<i>Amomum subulatum</i>	Sthooleila	Perelam	Fruit
<i>Andrographis paniculata</i>	Kirathathiktha	Kiriyathu	Whole plant
<i>Apium graveolens</i>	Ajamoda	Ayamodakam	Seed
<i>Aristolochia indica</i>	Gaarudi	Karalakam	Root
<i>Asparagus racemosus</i>	Sathavari	Sathavari	Tuberous root
<i>Asteracantha longifolia</i>	Ikshuram	Vayalchulli	Root
<i>Azadirachta indica</i>	Nimba	Aryaveppu	Stem bark, Leaf, Fruit
<i>Bacopa monnieri</i>	Brahmi	Brahmi	Whole plant
<i>Baliospermum montanum</i>	Danthi	Nagadanthi	Root
<i>Benincasa hispida</i>	Kooshmandam	Kumbalam	Fruit
<i>Biophytum sensitivum</i>	Samanga	Mukkutti	Whole plant
<i>Boerhavia diffusa</i>	Punarnava	Thazhuthama	Whole plant, Root
<i>Borassus flabellifer</i>	Thalam	Panaviral	Inflorescence
<i>Boswellia serrata</i>	Kunthurushka	Kunthirikkam	Gum resin
<i>Brassica alba</i>	Sidharthakam	Venkatuku	Seed
<i>Butea monosperma</i>	Palasam	Plassu	Stem bark, Seed
<i>Caesalpinia bonduc</i>	Kubarakshi	Kazhanji	Seed
<i>Caesalpinia sappan</i>	Pathangam	Pathimukam	Heart wood
<i>Calotropis gigantea</i>	Arkam	Erikku	Root
<i>Cardiospermum halicacabum</i>	Indravalli	Uzhinja	Whole plant
<i>Carum carvi</i>	Krishnajeerakam	Karimjeerakam	Seed
<i>Caryota urens</i>	Thalam	Panamkula	Inflorescence
<i>Cassia fistula</i>	Aragwadha	Kanikkonna	Stem bark
<i>Cedrus deodara</i>	Devadaru	Devatharam	Heart wood
<i>Celastrus paniculatus</i>	Jyothishmathi	Cherupunna	Seed
<i>Chonemorpha fragrans</i>	Madhusruva	Perumkurumba	Root
<i>Cinnamomum thamala</i>	Pathram	Pachila	Leaf
<i>Cinnamomum zeylanicum</i>	Thwak	Elavangam	Stem bark
<i>Citrullus colocynthis</i>	Indravaruni	Kattuvellari	Root
<i>Citrus limon</i>	Nimbookam	Cherunaranga	Fruit

SCIENTIFIC NAME	SANSKRIT NAME	MALAYALAM NAME	PARTS USED
<i>Clerodendrum serratum</i>	Bharnagi	Cheruthekku	Root
<i>Clitoria ternatea</i>	Sankhupushpam	Sankhupushpam	Root, Whole plant
<i>Coccus lacca</i>	Laksha	Kolarakku	Resin
<i>Cocos nucifera</i>	Keravriksham	Thengu	Inflorescence
<i>Coleus aromaticus</i>	Asmanthakam	Panikkoorkka	Leaf
<i>Coleus zeylanicus</i>	Valakam	Iruveli	Stem
<i>Commiphora mukul</i>	Guggulu	Gulgulu	Gum
<i>Coriandrum sativum</i>	Dhanyakam	Kothamalli	Seed
<i>Coscinium fenestratum</i>	Darvi	Maramanjil	Stem bark
<i>Crataeva magna</i>	Varanam	Neermathalam	Stem bark, Root
<i>Cuminum cyminum</i>	Jeeraka	Jeerakam	Seed
<i>Curculigo orchioides</i>	Varahi	Nilappana	Rhizome
<i>Curcuma angustifolia</i>	Thugaksheeri	Koova	Extract
<i>Curcuma longa</i>	Nisa	Manjal	Rhizome
<i>Cyathula prostrata</i>	Mayoorika	Cherukataladi	Leaf, Whole plant
<i>Cyclea peltata</i>	Pata	Pata	Rhizome
<i>Cynodon dactylon</i>	Doorva	Karuka	Whole plant
<i>Cyperus rotundus</i>	Mustha	Muthanga	Rhizome
<i>Datura stramonium</i>	Kanakam	Ummathu	Leaf, Whole plant
<i>Desmodium gangeticum</i>	Saliparni	Moovila	Root
<i>Desmodium trifoliatum</i>	Thripadi	Nilamparanda	Whole plant
<i>Desmostachya bipinnata</i>	Kusa	Kusappullu	Root
<i>Dolichos biflorus</i>	Kulatham	Muthira	Seed
<i>Eclipta alba</i>	Bhriparaja	Kanjunni	Whole plant
<i>Elaeocarpus sphaericus</i>	Rudrakasham	Rudraksham	Fruit
<i>Elettaria cardamomum</i>	Ela	Elam	Fruit
<i>Embelia ribes</i>	Vidanga	Vizhal	Seed
<i>Emblica officinalis</i>	Amalaki	Nelli	Fruit rind, Fruit
<i>Emilia sonchifolia</i>	Sasasruthi	Muyalchevi	Whole plant
<i>Eragrostis cynosuroides</i>	Darbha	Darbhappullu	Root
<i>Eugenia caryophyllata</i>	Lavangam	Karayampoo	Flower bud
<i>Ferula asafoetida</i>	Hingu	Kayam	Gum
<i>Ficus bengalensis</i>	Vatam	Peral	Stem bark
<i>Ficus glomerata</i>	Udumbaram	Athi	Stem bark
<i>Ficus religiosa</i>	Aswatham	Arayal	Stem bark
<i>Ficus tinctoria</i>	Plaksham	Itthi	Stem bark
<i>Glycyrrhiza glabra</i>	Madhukam	Erattimadhuram	Root
<i>Gmelina arborea</i>	Kasmaryam	Kumizhu	Root
<i>Gossypium herbaceum</i>	Karpasa	Paruthi	Seed
<i>Hemidesmus indicus</i>	Sariba	Naruneendi	Root
<i>Hibiscus rosasinensis</i>	Rakthapushpa	Chemparathi	Flower, Bud, Leaf
<i>Holarrhena pubescens</i>	Kutaja	Kutakappala	Stem bark, Seed Holarrhena antidysenterica
<i>Holoptelea integri folia</i>	Poothikaranjam	Aavil	Stem bark, Shoot
<i>Holostemma ada-kodien</i>	Jeevanthi	Atapathiyam	Rhizome
<i>Hordeum vulgare</i>	Yavam	Yavam	Seed
<i>Hyocyamus niger</i>	Paraseekayavani	Kurassani	Seed
<i>Illicium verum</i>	Thakkolam	Thakkolapputtil	Flower
<i>Indigofera tinctoria</i>	Neelee	Neelayamari	Leaf, Root
<i>Ipomoea digitata</i>	Vidari	Palmuthukku	Rhizome
<i>Ixora coccinea</i>	Paranthi	Thechi	Root, Inflorescence, Leaf
<i>Jasminum grandiflorum</i>	Malathee	Picchakam	Leaf, Flower, Bud
<i>Kaempferia galanga</i>	Kachoram	Kacholam	Rhizome
<i>Leucas aspera</i>	Dronapushpi	Poothumba	Flower, Shoot
<i>Madhuca longifolia</i>	Madhookam	Ilippa	Heart wood, Flower

SCIENTIFIC NAME	SANSKRIT NAME	MALAYALAM NAME	PARTS USED
Mangifera Indica	Amram	Mavu	Stem Bark, Leaf, Cotyledon
Merrimia tridentata	Prasarani	Prasarani	Root
Turpethum	Thrivrith	Thrikolppakkona	Root operculina trupethum
Mesua nagassarium	Nagakesaram	Nagappoovu	Flower
Mimusops elenji	Bakulam	Elanji	Flower, Seed
Momordica charantia	Karavellam	Pavakka	Fruit
Monochoria hastaefolia	Neelolpalam	Chengazhi	Rhizome
Moringa oleifera	Sigru	Muringa	Stem bark, Root, Seed
Mucuna pruriens	Markkali	Naikkurana	Root, Cotyledon
Murraya koenigii	Kaidaryam	Kariveppu	Leaf
Musa paradisiaca	Kadali	Vazha	Rhizome, Fruit
Myristica fragrans	Jathiphalam	Jathikka	Fruit, Seed, Aril
Nardostachys jatamansi	Jatamansi	Jatamanchi	Root
Nelumbium speciosum	Aravindam	Thamara	Flower, Rhizome, Stamen, Stem
Nerium odorum	Karaveeram	Kanaveeram	Root, Stem bark
Nervilia plicata	Padmacharini	Orilathamara	Root tuber
Ocimum basilicum	Phanijjam	Ramathulasi	Root
Ocimum sanctum	Surasa	Krishnathulasi	Leaf, Spike, Root
Ocimum caryophyllatum	Surasa	Veluthathulasi	Root
Oldenlandia corymbosa	Parpada	Parppatakappullu	Whole plant
Oroxylum indicum	Dundukam	Palakappayyani	Root
Oryza sativa	Thandulam	Ari	Seed
Panicum italicum	Kangu	Thina	Seed
Peucedanum graveolens	Sathahwa	Sathakuppa	Seed
Phaseolus aconitifolius	Masooram	Mankuttappayaru	Seed
Phaseolus mungo	Musham	Uzhunnu	Seed
Phaseolus radiatus	Mudgam	Cherupayaru	Seed
Phaseolus trilobus	Mudgaparni	Kattupayaru	Root
Phoenix pusilla	Parooshakam	Chitteenthal	Root
Phyllanthus niruri	Thamalaki	Keezharnelli	Root, Whole plant
Physalis minima	Upakunjika	Njottanjodiyam	Whole plant
Picrorrhiza kurroa	Katuki	Katukurohini	Root
Pinus roxburghii	Saralam	Charalam	Heart wood
Piper auruntiacum	Gajapippali	Athithippali	Root
Piper betel	Thamboolam	Vettila	Leaf, Stem
Piper longum	Pippali	Thippali	Fruit
Piper nigrum	Maricham	Kurumulakau	Fruit
Piper retrofractum	Chavyam	Kattumulaku	Root
Piper longum	Pippaleemoolam	Thippaliveru	Root
Plumbago zeylanica	Chithrakam	Kotuveli	Root
Pongamia pinnata	Karanjam	Ungu	Stem bark, Root, Nut
Premna serratifolia	Agnimantham	Munja	Root
Uraria picta	Prisniparni	Moorila	Root
Psoralea corylifolia	Somaraji	Karkokil	Seed
Pterocarpus marsupium	Asanam	Venga	Heart wood
Pterocarpus santalinus	Rakthachandanam	Rakthachandanam	Heart wood
Punica granatum	Dadimam	Mathalam	Fruit rind, Pulp, Leaf
Randia dumetorum	Madana	Malankara	Seed
Rauwolfia serpentina	Sarpagandha	Sarpagandhi	Root
Rheum emodi	Amiavethasam	Njerinjampuli	Root
Ricinus communis	Erاندam	Avanakku	Root, Oil
Rotula aquatica	Pashanabhedi	Kaloorvanchi	Root
Rubia cordifolia	Manjishtha	Manjatti	Root
Saccharum mungo	Sara	Sarappullu	Root
Saccharum officinarum	Ikshu	Karimbu	Stem, Root

SCIENTIFIC NAME	SANSKRIT NAME	MALAYALAM NAME	PARTS USED
<i>Saccharum spontaneum</i>	Kasa	Kasappullu	Root
<i>Salacia oblonga</i>	Ekanayakam	Ekanayakam	Root
<i>Santalum album</i>	Chandanam	Chandanam	Heart wood
<i>Saraca asoka</i>	Asoka	Asokam	Stem bark
<i>Sarcostemma acidum</i>	Somalatha	Somalatha	Stem
<i>Saussurea lappa</i>	Kushtam	Kottam	Root
<i>Semecarpus anacardium</i>	Bhallathakam	Cheru	Cotyledon
<i>Sesamum indicum</i>	Thilam	Karerllu	Seed
<i>Sida cordifolia</i>	Bala	Kurumthotti	Root
<i>Smilax china</i>	Snuhi	Cheenappavu	Rhizome
<i>Solanum indicum</i>	Thiktha	Putharichunda	Root
<i>Solarium melongena. var. insanum</i>	Bruhathi	Cheruvazhuthina	Root
<i>Solanum nigrum</i>	Kakamachi	Manithakkali	Root
<i>Solanum xanthocarpum</i>	Kantakari	Kantakari	Whole plant
<i>Sphaeranthus indicus</i>	Hapusha	Atakkamaniyan	Root
<i>Stereospermum suareolens</i>	Patala	Pathiri	Root
<i>Strobilanthes ciliatus</i>	Sahacharam	Karimkurunji	Root, Whole plant
<i>Strychnos nux-vomica</i>	Karaskaram	Kanjiram	Seed
<i>Symplocos reacemosa</i>	Sapthaparna	Pachotti	Stem bark, Root
<i>Syzygium cumini</i>	Jamboo	Njaval	Stem bark
<i>Tamarindus indica</i>	Chincha	Kolpuli	Stem bark, Root, Fruit,
<i>Tectona grandis</i>	Saka	Thekku	Leaf, Rachis
<i>Teramnus labialis</i>	Mashaparni	Kattuzhunnu	Young Shoot
<i>Terminalia arjuna</i>	Partha	Neermaruthu	Root
<i>Terminalia bellirica</i>	Vibheethakam	Thanni	Stem bark
<i>Terminalia chebula</i>	Hareethaki	Katukka	Fruit, Root, Fruit rind, Stem
<i>Tinospora cordifolia</i>	Amruthu	Chittamruthu	bark. Leaf. Seed
<i>Tragia involucrata</i>	Duralabha	Kotuthoova	Fruit, Fruit rind
<i>Tribulus terrestris</i>	Gokshuram	Njerinjil	Stem
<i>Trichosanthes anguina</i>	Patolam	Kattupatavalam	Root
<i>Trigonella foenum-graecum</i>	Methika	Uluva	Fruit
<i>Ventilago maderaspatana</i>	Dinesavalli	Thavittuvempada	Whole plant
<i>Vernonia anthelmintica</i>	Vanyajeerakam	Kattujeerakam	Seed
<i>Vetiveria zizanioides</i>	Useeram	Ramacham	Stem bark
<i>Vitex negundo</i>	Nirgundi	Karinochi	Root, Leaf
<i>Cissus quadrangularis</i>	Vajralatha	Changalamparanda	Stem
<i>Withania somnifera</i>	Aswagandha	Amukkuram	Root
<i>Woodfordia fruticosa</i>	Dhathaki	Thathiri	Flower
<i>Zingiber officinale</i>	Ardrakam	Inchi	Rhizome
<i>Zizyphus jujuba</i>	Kolam	Lantha	Seed

APPENDIX II

1. ARIYARU:

Seeds of *Holarrhena antidysenterica*
Psoralea corylifolia
Coriandrum sativum
Celastrus paniculatus
Embelia ribes
Elettaria cardamomum

2. CHATHURJATHAKAM

Cinnamomum zeylanicum (bark)
Elettaria cardamomum (fruit)
Cinnamomum thamala (leaf)
Mesua ferrea (flower)

3. DASAMOOLAM:

Roots of *Aegle marmelos*
Premna serratifolia
Gmelina arborea
Stereospermum colais
Oroxylum indicum
Desmodium gangeticum
Pseudarthria viscida
Solanum melongena. var. insanum
Aerva lanata
Tribulus terrestris (fruit)

4. DHANYAMLAM: VEPPUKADI

5. JEEVANEYAGANAM:

Holostemma ada-kodien, *Asparagus racemosus* (for MEDA)
Asparagus racemosus (for MAHAMEDA)
Ipomoea mauritiana (for JEEVAKAM)
Ipomoea mauritiana (for RISHABHAKAM)
Withania somnifera (for KAKOLI)
Withania somnifera (for KSHEERAKAKOLI)
Phaseolus trilobus
Teramnus labialis
Glycyrrhiza glabra

6. JEERAKATHRAYAM

Cuminum cyminum
Nigella sativa
Carum carvi.

7. JEEVANAPANCHAMOOLAM

Asparagus racemosus,
Withania somnifera (for VEERA)
Holostemma ada-Kodien
Ipomoea mauritiana (for JEEVAKAM)
Ipomoea mauritiana (for RISHABHAKAM)

8. KSHEERIVRIKSHA:

Ficus religiosa
Ficus bengalensis
Ficus glomerata
Ficus tinctoria

9. LAGHUPANCHAMOOLAM

Roots of *Desmodium gangeticum*
Pseudarthria viscida
Solanum melongena. var. insanum
Aerva lanata
Tribulus terrestris (fruit)

10. PANCHAKOLAM

Piper longum (fruit)
Piper longum (root)
Piper spp. (root)
Plumbago rosea (root)
Dried Ginger (rhizome)

11. PANCHALAVANAM

Rock salt
Common salt
Black salt
Salt petre
Sochal salt.

12. PANCHATHIKTHAM

Azadirachta indica (stem bark)
Tinospora cordifolia (stem)
Adhatoda beddomei (root)
Trichosanthes anguina (whole plant)
Solanum melongena. var. insanum (root)

13. SHADPALAM

Piper longum (fruit)
Piper longum (root)
Piper spp. (root)
Plumbago rosea (root)
Dried Ginger (rhizome)
Rock salt.

14. THRIJATHAKAM

Cinnamomum zeylanicum (bark)
Elettaria cardamomum (fruit)
Cinnamomum thamala (leaf).

15. THRIKATU

Piper longum (dried fruit)
Piper nigrum (dried fruit)
Dried Ginger (rhizome).
