

Dushadhi

PRODUCT BROCHURE

JULY 2023

Dushadhi

(A Govt. of Kerala Undertaking)
GMP-ISO 9001-2015 Certified Company
Ayush Premium Certified Products

Always committed to your health and well-being

OUR OBJECTIVES

- To manufacture and market high-quality Ayurvedic medicines.
- To supply quality Ayurvedic medicines to all Government Dispensaries and Hospitals in the State at subsidised prices.
- To supply quality medicines to people at reasonable prices through its 650+ dealers.
- To act as a price stabilising factor for Ayurvedic medicines.
- Development of new drugs through R&D to meet the market requirements.
- Promotion of Panchakarma Therapy.
- Promotion of medicinal plant cultivation.
- Buyback arrangement with farmers to ensure healthy returns for the crops raised by them.
- Provide employment opportunity to the people.

- The largest producer of Ayurvedic medicines in the public sector in India.
- One among the few public sector companies consistently making a profit, regularly paying dividend to the Government since 1999.
- A GMP and ISO 9001:2015 certified company.
- Produces 499 Ayurvedic formulations – Ayush Premium /Standard certified products, and 39 Siddha classical medicines.
- Sole supplier of medicines to Government Ayurveda Hospitals and Dispensaries in Kerala.
- Supplier of Ayurvedic medicines to Government Hospitals and Dispensaries of other states like Madhya Pradesh, Karnataka, Himachal Pradesh, Uttar Pradesh, Punjab, Chattisgarh, Pondicherry, Rajasthan, Haryana, Orissa, New Delhi, Lakshadweep, etc.
- Caters to the needs of the public through a vast network of over 1000 dealers spread across the nation.
